Dear Valued Community Member:

Each year the Sullivan Heights Scholarship Committee, depends upon the generosity of local businesses and community members to help in recognizing our graduating students for their academic successes, athletic and artistic endeavors, leadership abilities, volunteer services and/or citizenship. This year, I would like to ask you to consider making a donation to our school scholarship fund to aid in the post-secondary pursuits of the young adults in our community.

Our scholarship fund is set up to specifically benefit deserving graduates and your donation will continue to help us launch our graduates into the next phase of their education. The scholarship will be presented on behalf of your business or organization at our Commencement ceremony on June 5th, 2024 at Sullivan Heights at the Bell Center for the Performing Arts Theater. You will also have the opportunity to specify some criteria by which the scholarship shall be awarded, thus taking an active role in providing recognition for students whose work, community contributions, passions and/or ambitions align with your own and that of your business or organization.

Should you wish to make a contribution to our scholarship fund, please fill out the attached form and return to Sullivan Heights Secondary care of teacher Susan Rogerson by May 1<sup>st</sup>, 2024. A tax receipt will be issued for all donations over twenty-five dollars.

To thank you, for your contributions and generosity, acknowledgements will be made in the Commencement Ceremony and on our school website. Additionally, a special recognition certificate and photo of the recipient will be sent to your place of business in late June. We will also be hosting a Scholarship Celebration Tea on June 12th in the afternoon that donors may attend.

Thank you for taking the time to consider an investment in the young adults in our community!

If you have any questions, please contact Susan Rogerson in the Career Centre Rogerson\_s@surreyschools.ca by email or by phone 604-543-8749
